

Participate in a confidential program that matches businesses for sale with your investment needs

The City of North Bay and the City of Greater Sudbury are pleased to invite you to participate in a matchmaking program designed to find targeted investment opportunities. With a healthy balance of business and lifestyle, situated 3-4 hours north of Toronto, North Bay & Sudbury are ideal places to invest. With funding incentive programs and one-on-one support, you will receive the assistance you need to successfully grow your business.

How it works

This confidential program has been designed to collect information about your investment criteria such as price, sector, location, requirements, etc. and match it with suitable businesses for sale. In collaboration with the Ministry of Economic Development and Trade, the City of Greater Sudbury and the City of North Bay, you may be matched with potential businesses opportunities. The following illustrates how this process works.
