

The New Satellite Kiosk Project

The Business Centre - Nipissing Parry Sound, along with Mattawa-Bonfield Economic Development Corporation, The Municipality of Callander and Economic Partners Sudbury East / Nipissing West are pleased to announce the launch of their new Satellite Kiosk Project.

Using Skype, this satellite kiosk will connect you to The Business Centre with just a simple click of the mouse.

These kiosks have been set up as a way for the public to contact our business experts in North Bay from the comfort of their own communities. This means you can cut down on travel time and spend more time developing your brilliant business ideas!
